Civil Revision No. 510 of 2001
(**Old No. 20 of 1996**)

Hon. P.C. Pant, J.

On examination of the record, I found that this Revision, which was initially filed before the Allahabad High Court and received by this Court by transfer under Section 35 of U.P. Reorganisation Act, 2000, for its disposal infact had already been disposed of by the Allahabad High Court on 30.08.1996.

Hon'ble Mr. Justice S.K. Phaujdar of Allahabad High Court, has disposed of the Civil Revision No. 20 of 1996 (this is the old number of present revision) on 30.08.1996, holding that the revision is premature and directing the revisionists to raise objection before the trail court as to the question of title, if he so likes.

It appears that due to some mistake or inadvertence, the Registry of Allahabad High Court has shown the revision as pending and transferred to this Court.

In the circumstances, no further orders are needed in this revision. The revision already stands disposed of.

Consign to record room.
